## **What are Coastlines 'Community Development Grants'?**

The Community Development Grants are aimed at all local community involvement groups which benefit Coastline Housing residents. This includes Resident Associations, Community Groups, Action Groups, in fact any group who is constituted and has an active bank account.

### **How many grants are there?**

There are three different grants your community involvement group can access. These are:

- ▶ Community Development Small Project and Activity Grant Scheme
- ▶ Community Development Capital Grant Scheme

### **What is the difference between each grant?**

  - ❑ The annual support small grant scheme awards grants from £50 to £300.
- ▶ Community Development Project and activity Small Grant Scheme;
  - ❑ This scheme can provide small grants for community involvement groups who are embarking on a small short term project or activity such as a one day event.

- ▶ Community Development Capital Grant Scheme;
  - ❑ The Capital Grant Scheme is funding for longer term Community Development projects or activities.
